

## **Directions to the Atos IT Solutions and Services GmbH Location in Vienna**

Atos IT Solutions and Services GmbH  
Siemensstraße 92  
1210 Vienna

### **Arrival by car:**

Coming from **Prague/Brno**, take the Drasenhofen border crossing and continue on the B7 (Brünner highway) via Poysdorf, Gaweinstal, Wolkersdorf until you reach the city limits of Vienna. In Vienna, travel along the Brünner Straße to the junction Siemensstraße. Turn left into the Siemensstraße, turn right at the next traffic light into the Ruthnergasse. At the Siemensplatz (next junction) head left into the Siemensstraße – on the right side you can see the parking entrance (marked with flags) to Atos IT Solutions and Services GmbH.

Coming from the **airport/Bratislava/Budapest**, travel along the A4 (Eastern motorway) to the junction Prater. Switch to the A23 (Vienna Southeast city highway) towards Kagran/Gänserndorf. Exit at Leopoldau (Rinterzelt) – turn left into the Rautenweg – Julius-Ficker-Straße – right into the Siemensstraße. At the third traffic light turn left into the Franz Sebek Straße – on the right side you can see the parking entrance (marked with flags) to Atos IT Solutions and Services GmbH.

Coming from **Graz/Klagenfurt**, travel along the A2 (Southern motorway), then along the A23 (Vienna Southeast city highway) towards Gänserndorf. Exit at Leopoldau (Rinterzelt) – turn left into the Rautenweg – Julius-Ficker-Straße – right into the Siemensstraße. On the left side you can see the parking entrance (marked with flags) to Atos IT Solutions and Services GmbH (please make a U-turn at the traffic light to drive in from the right side).

Coming from **Linz/Salzburg**, travel along the A1 (Western highway) to the junction St. Pölten. Continue on the S33 towards Krems/Traismauer, cross the new Danube bridge at Traismauer and switch from the S33 to the S5 (via Tulln) and then follow the A22 to the exit Floridsdorfer Brücke. Follow the Floridsdorfer highway (B226) to the Shuttleworthstraße junction, turn right at the traffic light and follow the course of the road. At the second traffic light turn right into the Siemensstraße and the right again at the next traffic light into the Franz Sebek Straße – on the right side you can see the parking entrance (marked with flags) to Atos IT Solutions and Services GmbH.

### **Arrival by train:**

**Vienna "Westbahnhof":** Take the U6 to its final stop at Floridsdorf. Board the S1 or S2 rapid train railway (towards Gänserndorf and Mistelbach respectively) and travel one stop until reach the Floridsdorf-Siemensstraße station.

**Vienna "Hauptbahnhof":** Take the S1 or S2 rapid train railway (towards Gänserndorf and Mistelbach respectively) until you reach the station Floridsdorf-Siemensstraße.

### **Vienna Airport Schwechat:**

Take the rapid train railway S7 (towards Erzherzog Karl Straße) until you reach the stop Floridsdorf-Siemensstraße. Alternatively, take the CAT to Wien Mitte, and then continue on the S1 or S2 rapid train railway (towards Gänserndorf and Mistelbach respectively) until you reach the stop Floridsdorf-Siemensstraße.
