

# METERING EUROPE 2010 >>>

We would be very pleased to welcome you on our **stand A01** during the 12th annual edition of Metering Europe event, which will take place from the 22<sup>th</sup> to the 24<sup>th</sup> of September 2010 in the Reed Messe Wien.

This will be the opportunity for us to present you, our competences and capabilities in Smart Metering and Smart Grid solutions.

Our experts from **Atos WordlGrid™**, Atos Origin's international entity, leader on smart solutions and critical systems for energy and utilities, will present on our booth various demos of our projects, among which:

- Linky solution (ERDF world largest Smart Metering program with a target of 35 millions meters)

**Atos Worldline**, European leader in electronic transaction will demonstrate :

- End to end security and prepaid solutions

On the 22 of September, we will give a conference at the Vendor Showcase on the following subject: **"Implementing and Enhancing Large-Scale Smart Metering Pilots"**.

We look forward to seeing you in Vienna.

Kind regards,

Atos Origin Team.
