

Atos again on the podium in the ranking Great Place to Work Institute!

Final GPTW gala,
Finalists, including Atos.

March 26, 2014. Great Place to Work Institute awarded Atos for the 3rd time.

Among the best in the category "Company with more than 500 employees", occupying 3rd place, was placed Atos - an international IT corporation. In Bydgoszcz, Warsaw, Wrocław and Gdansk Atos employs more than 2,500 people. Atos has kept place on the podium in the ranking Great Place to Work for three consecutive years. The appreciation of the company is the result of a survey conducted among employees and the audited culture of the organization. These two elements allow GPTW to screen the applying companies for best human resources management programs and practices. The award is a result of the survey conducted this year as well as cultural audit of the organization. These both elements allow GPTW Institute to recognize companies with the best HR practices and management programs. The key surveyed elements were: trust, fairness, respect, pride and camaraderie.

Companies listed as Great Place to Work understand needs of employees. Level of employees satisfaction in companies that were on the list in the last 5 years constantly grows. In the first edition of

the competition in Poland in 2009, 68 % of employees were willing to agree with the statement "all things considered, I believe that my company is a great place to work". In 2013, this percentage was already 79%.

We are proud that for the third time we were on the podium in the Great Place to Work competition. This is a confirmation that the HR policy pursued by Atos satisfies our employees. We are committed to the satisfaction of our employees, that's why we focus our attention on their potential and talent management. - Dariusz Baran, Country Manager Atos in Poland.

Atos in Poland is simply fair. This is a company with a "human face", which allows for realization of the employees needs. - Robert Eugowski, Sales Director Atos in Poland.

I wish more of my friends worked in Atos. They'd be happier people :) - statement from the employee survey GPTW 2014.

Award for Atos is not surprising. The company places considerable emphasis on maximizing the potential of its employees, giving them the space to realize their needs and develop their talents. Employees regardless of their position have access to a broad program of training - both technical, linguistic and so-called "soft trainings". Atos in Poland is constantly evolving. This year only Bydgoszcz and Wrocław branches plan to hire several hundred people.

Our success is our employees - sums Dariusz Baran - cohesive team of professionals promotes the development of the company and its successes, which include the GPTW award.
