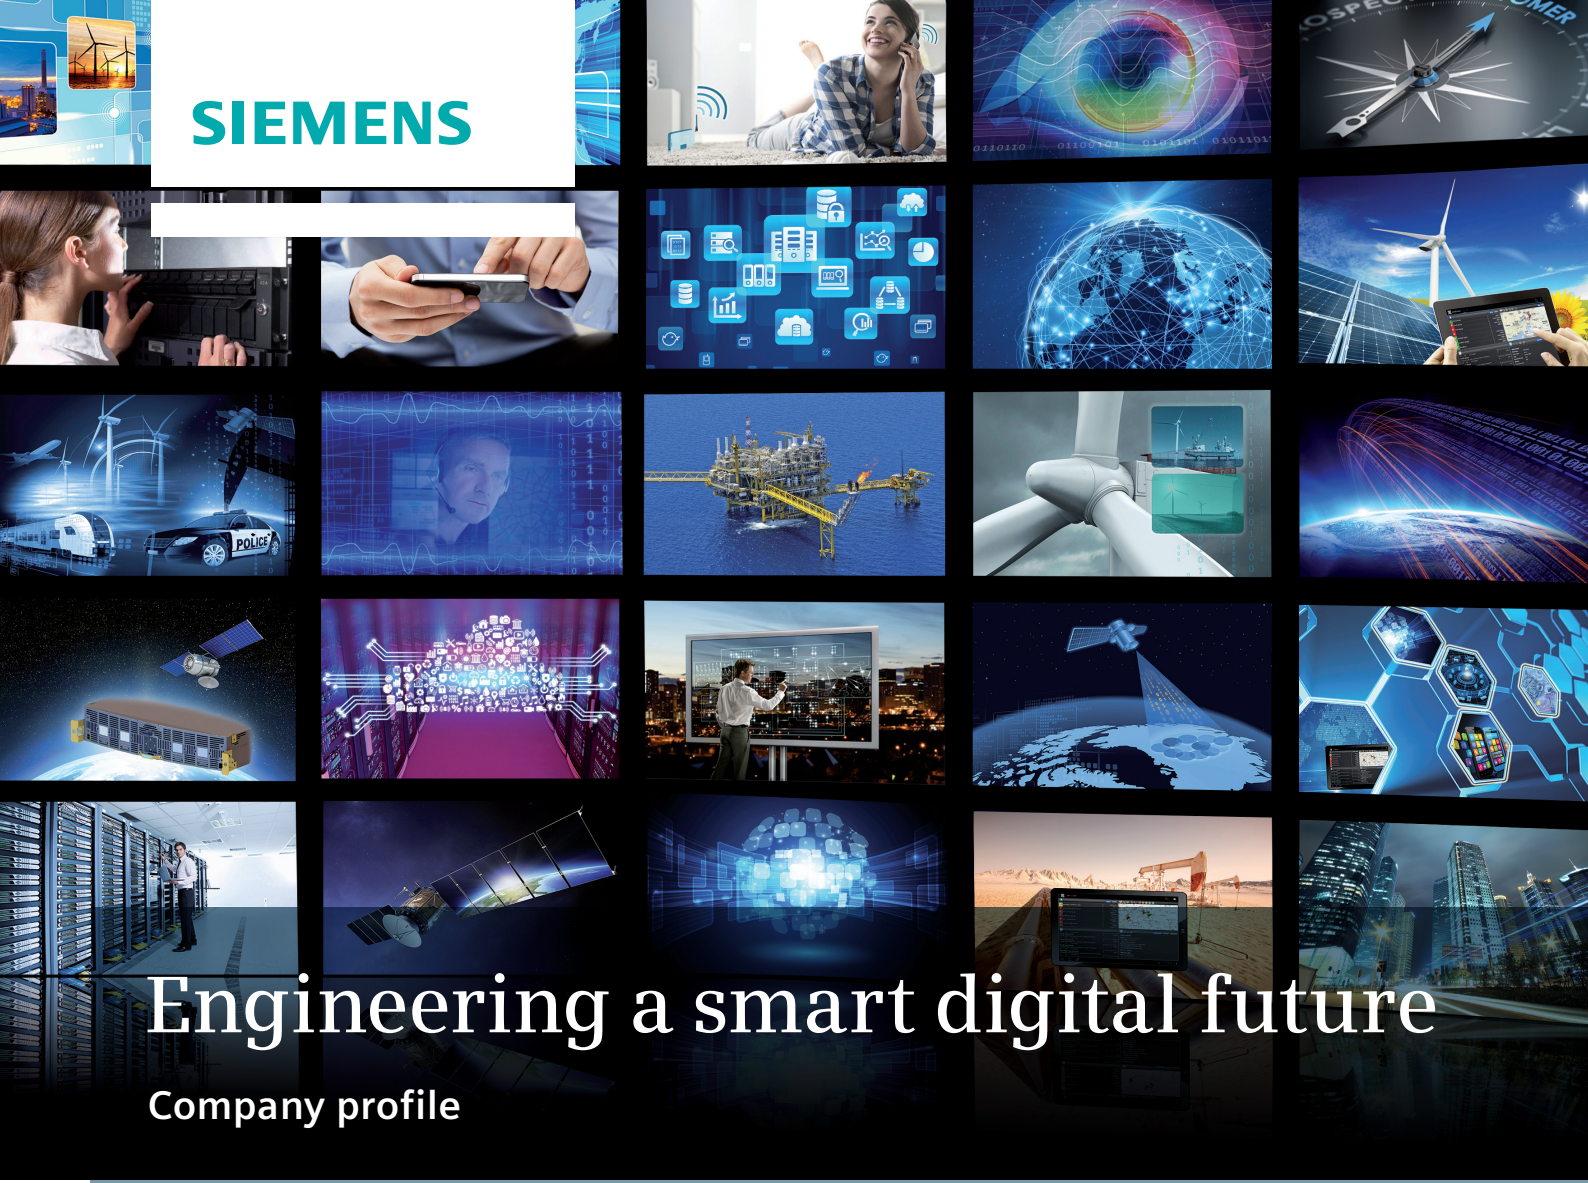
SIEMENS



Engineering a smart digital future

Company profile

Siemens Convergence Creators

Our mission:

We are leading experts in engineering the solutions for our customers' digital transformation.

We engineer opportunities that turn visions into reality.

Our solutions deliver sustainable value to our customers!

Siemens Convergence Creators GmbH, headquartered in Vienna, provides its customers with turnkey solutions and services in the fields of communication networks, service and customer management, public safety and security, as well as space technology.

At the end of FY 2016, Siemens Convergence Creators had more than 850 employees at 16 locations in eleven countries: Austria, China, Croatia, Czech Republic, Germany, India, Romania, Saudi Arabia, Slovakia, United Arab Emirates and USA.
The company supplies more than 70 countries with communication products and solutions.

Among the most important customers are the top players in their respective industrial sectors, i.e. telecommunications, transport (railways, aircraft manufacturers, airlines and airports), space and energy (wind power, oil and gas).
