		everyone who uses LinkedIn has the best possible experience. Cookies also help us keep your account safe. For example, cookies enable us to identify your device, secure your access to LinkedIn and our sites generally, and even help us know if someone attempts to access your account from a different device. Cookies also enable you to easily share content on LinkedIn and help us serve relevant ads to you. They allow us to bring you advertising both on and off the LinkedIn sites, and bring customized features to you through LinkedIn plugins such as our "Share" button.
