Dividend of the 2017 financial year

It will be proposed during the Combined General Meeting to approve the allocation of a dividend set at € 1.70 per share and to grant the possibility to opt for the payment in shares of the dividend. In case of exercise of the option¹, the new shares shall be issued at a price equal to 95% of the average opening share prices on the regulated market of Euronext Paris, over the twenty trading sessions preceding the General Meeting, reduced by the amount of the dividend and rounded up to the next highest Euro cent.
