

Atos named a leader in Digital Banking Services by NelsonHall

Paris, June 22, 2018 – Atos, a global leader in digital transformation today announces that it has been identified as a 'Leader' by global research and advisory firm NelsonHall in its latest Vendor Evaluation & Assessment Tool (NEAT) for Digital Banking Services¹.

The report cites Atos' strengths, including a large portfolio of proprietary IP with key technologies, strong [data center](#) footprint in Europe, close relationships with many leading digital product vendors, and many successful acquisitions.

Atos includes FinTech services in all of its banking offerings, which consist of:

- [Banking customer experience](#)
- [Atos Codex Analytics](#) (Ecosystem marketplace aggregator, FinTech accelerator)
- [Banking utility and application modernization](#)
- [Atos Canopy Hybrid Cloud](#)
- [Risk management and cybersecurity](#)
- [Worldline](#) payments and fraud management
- Solutions for processing bank products

Atos delivers these services using its '[Digital Transformation Factory](#)' approach to change the operational delivery of its clients.

Commenting on the research, **Andy Efstathiou, Banking Operations & Transformation Research Director at NelsonHall**, said: "Atos' position as a Leader in NelsonHall's Digital Banking NEAT evaluation is driven by its comprehensive offering, with an emphasis on customer experience, analytics, and process management."

Elaborating on Atos' role as a leader in Digital Banking services, **Dan Cohen, Group Senior Vice President at Atos for Global Financial Services**, said: "We are delighted to be recognized as a global Leader in Digital Banking services. Atos uses digital services as a key differentiator to attract new business: our Cloud-based FinTech propositions, engagement program and research offer new ways to meet the industry's [core transformation challenges](#) head-on."

Atos recently [launched three new initiatives](#) to strengthen its [global FinTech Partner program](#): **FinLab**, its cloud-based platform to facilitate the creation of new joint services; **FinHub**, a Fintech on-boarding program and **FinNet**, an insights and trends knowledge portal.

Through its subsidiary [Worldline](#), European leader in the payments and transactional services industry, Atos brings expertise in e-payment, transactional services and digital
