

ServiceNow Breakout session
11 09 2019 – 16.15

Let's Make work,
work better for people

Jessica Constantinidis
Evangelist – Office of the Chief Strategy Officer

Let's make work, work better for people

- ▶ Power of the Platforms : as more cloud platforms come with their own management & infrastructure and tools... How do you control, audit, leverage & integrate your customer's business processes in multiple environments using agile applications and newer technologies like AI and machine learning ?
