

Atos ranked by Gartner n°1 in EMEA and n°3 worldwide in Managed Services and Cloud Infrastructure in Healthcare by Revenue for the second year in a row

Paris, 23 October 2020 - Atos, a global leader in digital transformation, today announces that it has been ranked 3rd global player, for the second year, and 1st EMEA player, for the third consecutive year, in Managed Services (MS) and Cloud Infrastructure Services in the Healthcare sector in terms of 2019 revenues, according to the latest Gartner report¹.

"Healthcare organizations worldwide are facing the difficult challenge to find a balance between opposing forces. Pressed to adopt innovative technologies, such as artificial intelligence or robotics, in order to improve the effectiveness of care, they must modernize their systems at a fast pace with reduced budgets. To us, Gartner's report confirms that our strong capabilities in managed and Cloud services, combined with our solid industry expertise, provide organizations in the field with the right tools to successfully embark on their transformation journey," said **Robert Vassoyan, Head of Healthcare and Life Sciences at Atos.**

With a proven global leadership in data engineering and digital services delivery, Atos is the trusted partner for healthcare organizations, empowering them on their transformation journey. Atos' expertise is supported by 5,500+ cloud experts, 30,000 application experts, and 3,200+ Cloud technical certifications in [AWS](#), [Google Cloud](#) and [Microsoft Azure](#).
