

Innovate for a smarter, sustainable future

Connect with Atos at Enlit Europe 2021

30 November – 2 December 2021

Milan | Italy

Stand 12.E50

The Atos logo consists of the word "Atos" in a bold, white, sans-serif font. The letter "o" is stylized with a horizontal line through its center. The background of the entire page is a dark blue gradient with a network of glowing white and light blue lines and nodes, some of which are highlighted with bright starburst effects.

At Atos, we are committed to helping you accelerate the energy transition safely, securely and at scale by leveraging the power of cutting-edge technologies.

Visit us at Enlit Europe 2021 **stand 12.E50** to connect with experts who will share insights into key transformation opportunities and the latest digital developments to:

- **Optimize grid stability and operations** with the shift to distributed energy resources
- **Transform customer experience and business models** to adapt and thrive
- **Decarbonize faster and wider** with the transition to renewables and energy-efficiency
- **Secure critical infrastructure** as technologies, business models and regulations evolve.
