Additional information on 2021 financial figures

Bezons, February 10, 2022
Disclaimer

This document contains forward-looking statements that involve risks and uncertainties, including references, concerning the Group’s expected growth and profitability in the future which may significantly impact the expected performance indicated in the forward-looking statements. These risks and uncertainties are linked to factors out of the control of the Company and not precisely estimated, such as market conditions or competitor’s behaviors. Any forward-looking statements made in this document are statements about Atos’ beliefs and expectations and should be evaluated as such. Forward-looking statements include statements that may relate to Atos’ plans, objectives, strategies, goals, future events, future revenues or synergies, or performance, and other information that is not historical information. Actual events or results may differ from those described in this document due to a number of risks and uncertainties that are described within the 2020 Universal Registration Document filed with the Autorité des Marchés Financiers (AMF) on April 7, 2021 under the registration number D.21-0269 and the Amendment to the 2020 Universal Registration Documents filed with the AMF on July 30, 2021 under number D.21-0269-A01. Atos does not undertake, and specifically disclaims, any obligation or responsibility to update or amend any of the information above except as otherwise required by law. This document does not contain or constitute an offer of Atos’ shares for sale or an invitation or inducement to invest in Atos’ shares in France, the United States of America or any other jurisdiction.

The figures in this presentation, including the revenue growth at constant currency, operating margin rate and free cash flow for the year 2021, are not finalized at this stage nor audited. The detailed full year figures for 2021 will be published as planned on February 28, 2022 (after market close).

Revenue organic growth is presented at constant scope and exchange rates.
