

Atos ranked Number 1 worldwide in Managed Security Services by revenue in Gartner® Market Share report

- **Atos reached 1st place, moving up from 2nd place in 2020**
- **Evaluation based on 2021 Managed Security Services revenue**
- **Strong focus on Managed Detection and Response segment**

Paris, April 21 2022 – Atos today announced that it is ranked the [number 1 in Managed Security Services](#) (MSS) in terms of 2021 MSS revenue, according to the latest Gartner report¹. Atos moved up from number 2 to number 1 worldwide since 2020 with 20.9% growth, achieving the highest revenue of vendors in this market.

Gartner estimates that the MSS market has grown by 9.8% in 2021, reaching \$13.9 billion in revenue. We think, in this context, Atos has placed cybersecurity at the heart of its strategy for many years, integrating best-of-breed technologies from partners with its acclaimed security products to provide the most advanced and comprehensive managed security services.

Building on a global network of over **6,500 dedicated experts, 16 next-generation Security Operation Centers** (SOC) operating 24/7/365 and other key delivery centers strategically placed across the globe for full and uninterrupted coverage, Atos offers a complete portfolio of [advanced digital security solutions](#). Atos recently opened a [new next-gen Security Operations Center in Bulgaria](#) to strengthen its robust global SOC network.

Managed Detection and Response (MDR) has become decisive in the race against sophisticated cyber threats. The advanced [Atos MDR solution](#), powered by the next-gen [AI platform "AIIsaac"](#) provides threat intelligence, threat hunting, security monitoring, incident analysis, threat containment and full-service response to tackle today's emerging threats. In a continued effort to innovate, Atos recently launched a ['sovereign data' version of its MDR service](#), ensuring that client data remains in the same geography, while the classic cloud-native version of its MDR service is now [100% carbon neutral](#).

"Organizations today seek a trusted managed security partner in their fight against a growing and sophisticated cyber threat landscape. This number one position in managed security services is a testimony of the confidence that clients have placed in our cybersecurity services across the globe. We are proud to have reached this rank, and we whole-heartedly thank all of our clients and partners for their continued trust in Atos. We will continue to expand our worldwide presence and strengthen the Atos digital security portfolio, both organically and through acquisitions, so our
