

### Atos in China is Great Place to Work-Certified™

This is a second consecutive award for Atos China

**Beijing. Apr.26 2022.** As a leading international digital services company, Atos is pleased to announce that its China operations have been awarded the Great Place To Work® certificate for the second consecutive year.

A new record of 82% participation was achieved in the 2021 survey providing for greater insights such as Trust Index© score of 83% indicating a growing sense of pride amongst employees in Atos in China, as well as 85% who weighed in indicating a sense of value and fairness at the workplace.

“It is also heartening to see that our employees resonate with our corporate focus on sustainability and corporate social responsibility with a 92% vote for the value they themselves place in working for a company that champions environmental causes.” says the Managing Director of Atos in China, Magnus Alvarsson.

Over and above our efforts in engaging the community, Atos in China is committed to continuous improvement plans via self-improvement, career development, diversity, and inclusion programs that will provide a safe and progressive work environment for all.

The Great Place to Work® Certification highlights employee perspectives on what is important in a workplace. The coveted certification draws on best in the class people practices and actionable insights that allow companies to evolve, grow and nurture a conducive work environment.
