Atos Positioned as a Leader in the Gartner® Magic Quadrant™ for Data Center Outsourcing and Hybrid Infrastructure Managed Services, Worldwide

Atos positioned as a Leader for the second year in a row

Paris, France – July 12, 2022 - Atos today announces that it has been positioned by Gartner as a **Leader in the 2022 Magic Quadrant for Data center Outsourcing (DCO) and Hybrid Infrastructure Managed Services (HIMS), Worldwide**. This is the second time Atos is positioned as a Leader in the Gartner Magic Quadrant for DCO and HIMS, Worldwide and recognized for its Completeness of Vision and Ability to Execute. Gartner defines DCO and HIMS as the ability to deliver managed services for hosted and private cloud infrastructure, public cloud and edge environments and traditional data center environments. Gartner assessed 19 global providers in its report.

"We are very proud to be recognized a Leader for the second year in a row in the Gartner Magic Quadrant for DCO and HIMS, worldwide. We think that this positioning demonstrates that we have invested in the right comprehensive set of services and the development of our people's skills to effectively support our clients run various workloads on different clouds, thereby meeting their expectations for business-outcome-based, automated, sovereign and secure cloud services" said **Nouridine Bihmane, Deputy CEO and Head of Tech Foundations Business line, Atos**.
