**31<sup>ST</sup> MARCH, 2021**

**CSR POLICY**

**(Approved by the Board of Directors on September 12, 2014)**

**1. BRIEF OUTLINE ON CSR POLICY**

➤ **Introduction:**

Corporate Social Responsibility (CSR) refers to the acknowledgement by a company that it should be accountable not only for its financial performance, but also for the impact of its activities on the society and the overall environment as a whole. The company endeavors to behave in accordance with ethics and to contribute towards monetary development in order to improve the quality of life its workforce, their families and the local community and the society at large. It involves an organization reaching out to the community to help impact the lives of the people positively. It is usually seen as a way for an organization to give back to the community within which it successfully operates. The term generally applies to a company's efforts that go beyond what may be required by regulators or environmental protection groups.

At Syntel ("Company"), CSR policy functions as a built-in, self-regulating mechanism whereby its business monitors and ensures active compliance with the spirit of the law, ethical standards, and international norms. The Company plays a pivotal role towards enforcement of corporate principles and is also committed towards the sustainable development. The company constantly strives to ensure strong corporate culture which emphasizes on integrating CSR values with business objective. The employees are encouraged to volunteer their time and skills and enjoy the experience of giving back to the communities in which they work.
