

# Accessing the Atos Campus

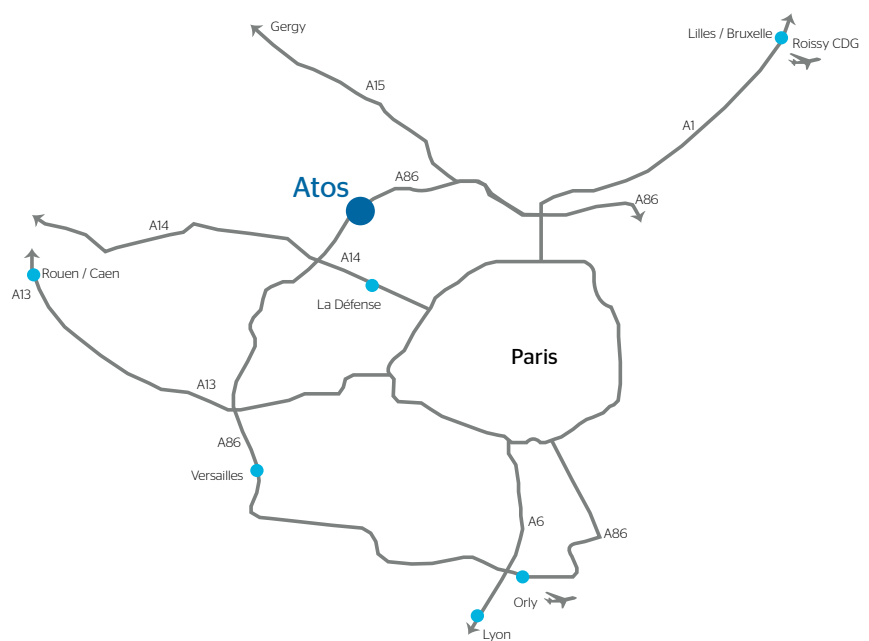

## By car / motorbike

In the immediate vicinity of the Pont de Bezons, the Atos Campus has a direct link with the A86, a motorway connecting:

- The La Défense circular boulevard via the A86 in 7 minutes.
- The ring road (Boulevard Périphérique) via Porte Maillot in 15 minutes.
- Place de l'Etoile in 17 minutes.
- Roissy - Charles de Gaulle and Orly airports.
- Much of the Ile-de-France motorway network: A15, A1, A14 and A13.

A “drop-off” area is provided for visitors who arrive by taxi. These areas are accessible via Quai Voltaire and are located in front of the two main entrance halls.

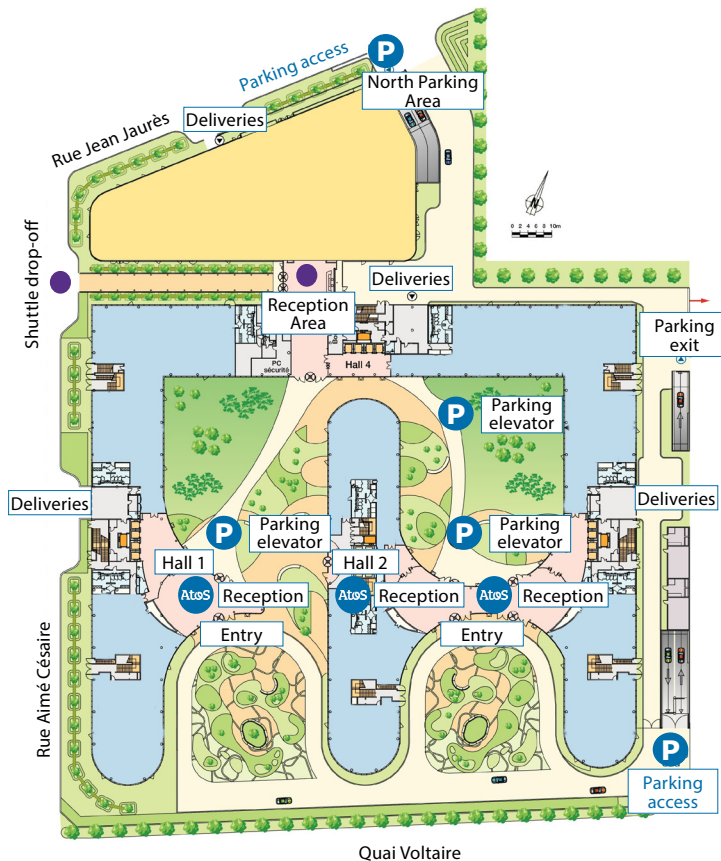

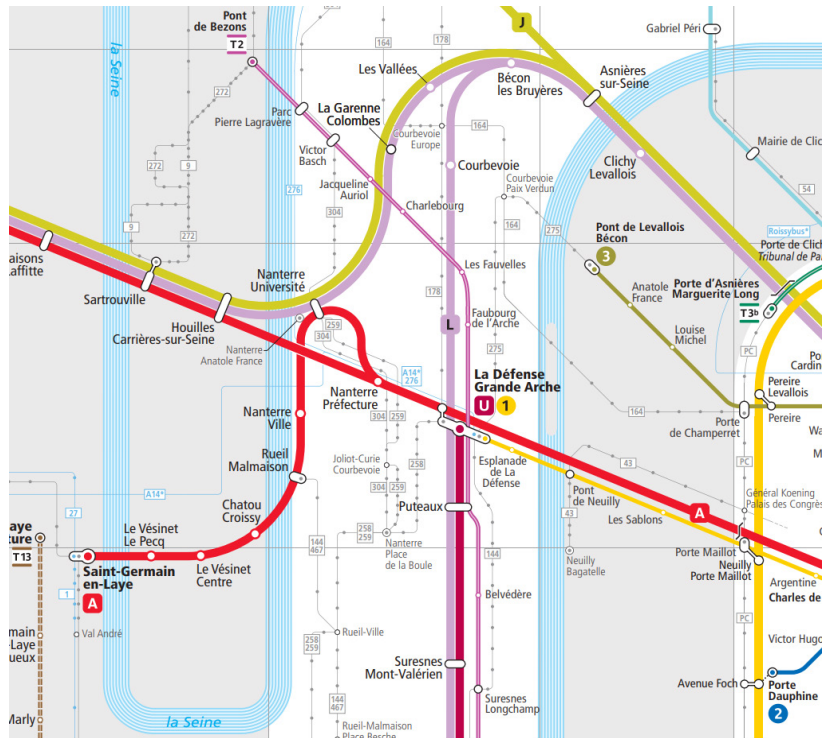

## By public transport

Site access for pedestrians or public transport users is via rue Jean Jaurès then rue Aimé Césaire. The public transport network provides service by:

- Tramway T2, stop at Pont de Bezons (From Paris Porte de Versailles via la Défense Grande Arche)
- RER A stop at la Défense Grande Arche then tramway T2
- Lines L and U stop at la Défense Grande Arche or Puteaux then tramway T2
- Line J stop at Houilles Carrières sur Seine then bus 6
- Buses 3, 6 and 272 stop at Pont de Bezons

## Taxi

To book a taxi, contact the receptionist  
Pacific Hall: 01 73 26 27 28

## Parking

The site has private parking.

Access (entrance and exit) are from Quai Voltaire or from rue Jean Jaurès. There are reserved parking spaces for people with reduced mobility.

To comply with safety instructions, drivers should back-in to parking spaces for better visibility when leaving.

Reserved spaces for motorized two-wheelers are provided at level -1

A space specifically for storing and securing bicycles is available.

The parking spaces from 1085 to 1094 are dedicated to electric vehicles (cars, bicycles, motorcycles and scooters). You can take advantage of this service provided by Freshmile at the price of 1,50€ for the first 4 hours and 1.50€ per additional hour.

The parking area is monitored by 24/7 video surveillance and lit automatically by motion detectors. Only the traffic centers are in the field of the cameras.

You can access the different buildings located on level 0 by using the elevators or the stairs.
