Eviden Recognized “Sell-Through Champion France 2024” by ServiceNow

This recognition by ServiceNow in France is a testament to Eviden’s dedication and achievements in supporting our customers through their ServiceNow journey

Paris, February 11, 2025 - [Eviden](#), the Atos business leading in digital, cloud, big data, and security, announces today it has been recognized by ServiceNow as the “**Sell-Through Champion France 2024**” for its achievement in reselling supported by strong consulting & implementation capacities. The recognition was unveiled on February 5th during a ceremony taking place at a ServiceNow Partner’s Event in Paris.

Eviden recognition as “Sell-through Champion in France” comes in addition to Eviden maintaining its Elite status in the Consulting & Implementation and reselling category in 2025 thanks to its longstanding global achievements and success in that same category. The Elite Status singles out partners that demonstrate the highest level of global capabilities and success in one or more categories. In particular, partners active in the *Consulting & Implementation and Reselling* category provide customers with expertise in a specific industry or field and in the implementation of the platform, as well as the highest level of versatility to ensure that the solution generates maximum return on investment for customers. These partners leverage their highly skilled ServiceNow resources to drive sales, track deployment records, drive platform adoption, and ultimately drive customer success.

*“This prestigious recognition is a testament to Eviden team's dedication, expertise, and excellence” said **Thierry Vintraud, Sales Director, ServiceNow Practice, France, Eviden.** “Meeting the challenging criteria set by the ServiceNow partner program, our experts have demonstrated exceptional skill and commitment in delivering top-notch solutions. This accolade reflects our unwavering focus on driving innovation and providing outstanding value to our clients.”*

ServiceNow is a leading player in the enterprise cloud software market, known for its ability to connect and automate siloed processes across various business functions. It serves as an integrated workflow platform that bridges internal and external stakeholders, meeting diverse requirements while simplifying organizational complexity. Eviden has been an early partner of ServiceNow and has been working with the company since 2007.
