

Atos, with UEFA Futsal EURO™ 2026, Successfully Completes its First Full Cycle of UEFA Men's National Team Football Competitions as a Proud Partner

Paris, France – February 11, 2026 – Atos, a global leader in AI-driven digital transformation, and the “Official Information Technology Partner” of UEFA Men's National Team Football, is proud to announce it has successfully supported the delivery of UEFA Futsal EURO™ 2026 that just took place in Latvia, Lithuania and Slovenia. Running until 7 February, this major international event highlighted both Atos' long-standing commitment to UEFA and the extraordinary momentum futsal is gaining worldwide.

Futsal is a sport experiencing rapid growth across Europe and worldwide. Recent data confirms that futsal is not only growing, but also accelerating across all indicators: popularity, participation, and market size. Futsal is now played in over 100 countries, engaging approximately 12 million players.

To support the UEFA Futsal EURO™ 2026 tournament, Atos has deployed ICT specialists at each venue, backed by remote teams to ensure seamless digital and onsite operations. Delivered services included:

- Accreditation management,
- Local infrastructure,
- Network oversight and configuration requests with Local Organizing Structures (LOS)
- Business user support across UEFA teams

Through its end-to-end IT support, Atos is proud to contribute to UEFA's mission to elevate futsal to new audiences and deliver world-class digital operations across all competitions.

With UEFA Futsal EURO™ 2026, Atos also celebrates its first full cycle of UEFA National Team Football competitions in support to UEFA, which included:

- UEFA Nations League Finals™ 2023
- UEFA EURO 2024™
- UEFA Nations League Finals™ 2025
- UEFA Under-21 Championship™ 2025
- UEFA Futsal EURO™ 2026
- European Qualifiers

The successful achievement of this cycle that spanned over 3 years, with zero major incidents and improvements across all major indicators of the board, reflects a multi-year operational partnership characterized by the highest standards in terms of performance, reliability, innovation, and strong collaboration, in a moment of unprecedented growth with regards to fan engagement. As sport in general is undergoing a technological transformation at a scale never seen before, Atos has demonstrated its capacity to accompany UEFA at scale with impeccable service delivery while steadily introducing new, innovative solutions.

*"The successful completion of this entire competition cycle at the service of UEFA is a proud moment for Atos and all the teams that worked hard to deliver on our commitments and above. We are honored to stand alongside UEFA in delivering some of the highest profile sport competition and to provide the technological foundation that ensures the smooth and secure operation of every match and every tournament for the benefits of fans worldwide" said **Nacho Moros, Head of Atos Major Events.***

Atos has maintained a dedicated Sports and Major Events division for more than 30 years. This experience in delivering innovative solutions for the world's most prestigious competitions enables Atos to provide the flexibility and technological excellence required for all types of events—from local tournaments to major global showcases. Leading this commitment is its role as UEFA's Official IT Partner for National Team Football since late 2022, as well as its long-standing relationship with the Olympic and Paralympic Movements since 1992 and 2002 respectively, providing advanced IT services through the successful Paris 2024 Olympic and Paralympic Games. Most recently, Atos became CONMEBOL's Official Innovation Partner, which will focus on South American football's domestic-club competitions.
