

Atos selected by LCH SA to migrate its financial information systems to the cloud

This contract with LCH SA, a global clearing house and subsidiary of LSEG, represents another strong acknowledgment of Atos' expertise in highly demanding financial information systems and cloud technologies.

Paris, France – April 29, 2026 – [Atos](#), a global leader of AI-powered digital transformation, announces it has signed a three-year contract with LCH SA, the global clearing house based in Paris, to assist LCH SA with the migration of its financial information systems on a highly secure, SecNumCloud-qualified cloud infrastructure, while guaranteeing full continuity of operations.

A strategic project for Atos and the industry

This contract confirms Atos' position as a leading player in cloud transformation for highly regulated market infrastructures. Atos is looking forward to providing international market participants with a new, concrete example of a secure migration in compliance with applicable regulatory frameworks. Atos stands out in the market through its expertise, industry knowledge, and ability to deliver strategic projects whose success relies on the skills and commitment of its teams throughout the entire transformation journey.

"This project perfectly illustrates Atos' ability to support financial institutions in their digital transformation while guaranteeing the security and compliance of their information systems. Our expertise, our industry knowledge, and our commitment are key to the success of LCH SA's migration to the cloud. We are proud to contribute to the modernization and migration of such a strategic infrastructure for the European financial market" said **Franck Chartier, head of France, Atos.**

"This project with Atos supports the modernisation of our information systems and helps ensure we continue to meet the expectations of our customers and regulators, while strengthening our operational resilience as we move to the cloud" said **Corentine Poilvet-Clédière, CEO, LCH SA and country head, France, LSEG.**
